

EMERGENCIES DEMAND THE RIGHT SUPPLIES.

RADIO

A portable radio. A flashlight with batteries. At least a gallon of water a day, per person, for three days. These simple items can help you and your family get through the first 72 hours after an emergency, until basic services are restored. Take the time to prepare today, and you'll have less to worry about when it really matters.

FLASHLIGHT

WATER

**1 GALLON PER
PERSON PER DAY**

READY? SET? GOOD.

A message from the Baltimore Metropolitan Council and your local emergency responders.
